

Fall 2007 Regional Training Sessions
For New Assessors and Those Who
Missed the Training

The Desired Results *access* Project will sponsor four regional training sessions for all new preschool special education service providers and those special educators who missed last year's training opportunities on the Desired Results Developmental Profile *access* (DRDP *access*) and the Preschool Desired Results Developmental Profile for Use with Children with IEPs (PS DRDP-R).

Registration is limited to 100 people per session. Please contact the SELPAs below to register for a training session.
